A MARVELLOUS ORGAN.

THE LEAST UNDERSTOOD, THE MOST IMPOR-TANT, AND THE SOURCE OF MORE SUFFER-ING AND MISERY THAN ANY OTHER PORTION OF THE BODY.

We meet men and women every day who seem force a

unhappy, and with a bad disposition. We very often feel indignant at them when we should feel pity. They do not know why they are so irritable, but the cause can be named in one word-sphen. There is no organ in the body so little understood and yet so important as the spleen. It is the governor of the body. It performs the same office that the governor of an engine does. To illustrate it still further, it is the hairspring of the spe-tem. It regulates the escapement. Is it possible that any reader has not felt sinkings, throbbings, misgivings at the pit of the stomach and lower regions? It is a disordered spices. Bines, discouragements, lack of life are all caused by the spicen. No man or woman ever committed suicide whose spicen was in perfect order. The physicians of Europe for more than a hundred years have been sending sufferers from spicer, ir whiles only pochondria to Carabad. This has been the Mecca to which all such sufferers invariably turn. But all cannot go to Carlabad. Then Carlabad must come to them. This has been a difficult task in the past, for the city of Carishad would send out the water only in small quanti-Cariabad would send out the water only it emissions. It is now, however, being sent to America quite liberally, is soid by all dealers everywhere, and the furor it has created in phenomenal. More absolute curse can be shown from Carlabai Water than from any other known a_nucy, and it deserves the popularity it is receiving.

PROF. PIETRA SANTA, OF PARIS, the world-renowned specialist, in his work published in Paris, speaks of the JOHANN HOFFS MALT EXTRACT as follows:

"I can highly recommend this pleasant remedy in restoring weakened digestion. As a large number of patients lack the necessary power todigest solld food, and would, through the use of stimulants, bet merely excited an 'weakened, therefore I regard it of immense value to the practitioner to bring to his aid a pleasant remedy like the GENUINE JOHANN ROFF'S MALT EXTRACT, which while set not only as a tonic but as a nutritive as well and which is less exciting than wine as a stimulant.

This action is considered as an indication of District Assembly 49's position in the matter. The Eccentric Engineers and Firemen are attached to that body.

At the Clarendon Hall meetings this morning two more of the Lion Brewery drivers were reported to have returned to work.

The committee of twenty-four will meet to-morrow night in Stuyvesant Hall, in East Seventeenth street. This is the Vigilance Committee appointed by the Central Labor Union to aid the brewers in the locacout and to take such steps as will cause the brewery bosses to feel the power and influence of organized labor. All the Assembly districts are represented.

Ex-Senstor Grady was this morning engaged by the Central Labor Union to conduct the case of the locked out brewerymen tomatic before a sombre crowd—in the circle business. But the tiers of boxes were full of women, not a few of whom had been drawn there solely by their interest in the woman question, and the impruding discussion of the elegibility for office of the five female delegates—of the mate exposed—in the rice all both five—and therefore a sombre crowd—in the circle black. The roll was called by Dr. David S. Monterence.

Then the air was vibrant with expectation as Dr. Hamilton, of the New England Conference, moved that a committee be appointed to investigate the eligibility of those delegates whose status was held to be doubtful. It was finally resolved to submit the emitter to the committees—one to investigate the eligibility of the women and to report upon this tender.

It can as easily be comprehended by the artisan and laborer as by the lawyer or mathematicial, just as any one knows how to take care of his own money and credits without being told how to do it.

Every member is required to pay each sixty days, or each six months or year, a sum of money equal to each member's share of the death claims which have actually occurred, the amount being properly apportioned among the members according to the last statement, exceed \$2, 26, 000, as each capital exceeds \$1,400,000 and it has already paid more than \$4,441,000 to he wildows and orphans of decreaced members.
